

THIKA WATER & SEWERAGE COMPANY LTD.

PROJECT UPDATE.

We would like to inform our esteemed customers from Landless, Kwa Jomo and Munyu areas that the Company has awarded a contract and commenced construction of a 3.6 Kilometres water line to serve the said areas as discussed and agreed in various stakeholder meetings.

The cost of the works is estimated at KSHS.13M and the works are expected to take a period of 6 Months. The 160mm water line is expected to improve water supply and reliability.

The project site was handed over to the contractor on 5th April 2019.

We shall continue updating you on the progress.

However, we most sincerely thank you for working with us to realise the project and for your co-operation. Looking forward to serving you better.
